

2018 Clover Award

The winners will be awarded at the Kenosha County 4-H Awards Night

Judges will be looking for answers that have followed the judging criteria:

- Shows involvement in 4-H
- Optimism and enthusiasm
- Originality
- Clearly answers the question asked
- Shows clarity of thought
- Shows maturity for his/her grade
- Grammar, spelling and punctuation
- Followed the limit of words

You may neatly handwrite these responses, but typing is preferred. Having excessively long answers to each question will decrease your overall score. Please pay attention to the length of your essay answer. Please include the grade you're writing for and question when submitting the answers.

****Choose the question that applies to the grade completed in June of 2018.**

Listed below are the questions.

Cloverbuds, Grades K-2: (50 word limit)

Pick one project and describe what you learned from this project that will help you in the future.

Elementary, Grades 3-5: (100 word limit)

Describe one or two responsibilities you accepted in 4-H this year. Tell what you learned about the importance of being responsible.

Junior, Grades 6-8: (150 word limit)

Describe a 4-H experience during a meeting or service event that was important to you. What have you gained from that experience?

Senior, Grades 9-13: (250 words)

How has 4-H impacted your life?
