

Extension
UNIVERSITY OF WISCONSIN-MADISON

Do you have a live sample you would like Plant Health Advisors to see?

Please follow these temporary procedures:

planthealth.advisors@extension.wisc.edu

Email us to explain your concern. Include digital pictures and your phone number. We will notify you and request the sample, if one is needed, to address your concern.

Or call us/text at 608-298-6945

Leave a message to explain your concern. We will contact you and arrange for the sample as needed.

Non-notified samples will not be analyzed.

Drop box site location & hours: Ives Grove Office Complex, Racine County Building,
14200 Washington Ave, Sturtevant, WI 53177.

Hours: Mon thru Fri (8 am - 12 pm) and (1230 pm to 430 pm)

We are following Wisconsin Department of Health Services, UW-Madison, and federal guidelines due to the COVID-19 virus outbreak. We are working remotely
