FUNDS FOR YOUTH-LED SERVICE PROJECTS!

What is Youth As Resources (YAR)?

Youth As Resources is grant-giving organization that funds youth-designed and youth-led community service projects that benefit individuals in Kenosha County.

How does it work?

A group of young people with one or more enthusiastic adults...

- Step 1:** Brainstorm about Kenosha County community problems or needs. If you need additional ideas, go to: kenosha.extension.wisc.edu/youth/YAR and click on "Service Opportunities in Kenosha County."
- Step 2:** Identify a Kenosha County community need and design a community service project to addresses that need.
- Step 3:** Apply for YAR grant funding.
- Step 4:** Give a three-minute presentation to the YAR Board about their project and answer any questions the YAR Board may have about the service project.
- Step 5:** Complete the service project with funding from YAR, if approved for funding.
- Step 6:** Document the implementation to the project, evaluate the benefit to the community, and celebrate your success!
- Step 7:** Submit a summary of the project by completing the YAR Project Book and send to the Extension Kenosha County Office upon completion of the project.

Who can apply?

Groups of Kenosha County youth who are in grades K-12 who want to make a difference in their community. Each youth group must have a sponsor organization such as a church, school, or community agency and an adult sponsor.

How do you get involved?

- Read the grant guidelines and apply for grants of up to \$500 for funding needed to complete your project by filling out the attached application form. All projects must benefit individuals/groups in Kenosha County.

***Granting meetings occur on the 3rd Tuesday of the month during the months of October, November, February, and March. Grant applications are due one week before these meetings.**

Presentations of grant proposals must be made in person to the YAR Board at the next scheduled proposal review meeting. If approved, funding will be made available 10-14 days following receipt of the YAR funding contract.

Kenosha County YAR is a program of Extension Kenosha County in partnership with the United Way of Kenosha County.

Youth As Resources describes community service as the following:

- Youth and adults contributing time together to make a positive change which addresses a community need.
- Service-learning
- Youth leadership
- Setting and achieving a specific goal
- Working together with a team
- Realizing the importance of being an active community member

Service Project Guidelines:

1. Projects must clearly be “community service” and include the components of the above definition. The project also needs to benefit residents in communities throughout Kenosha County, with an emphasis on youth volunteer service to others. Projects targeting communities outside of Kenosha County will not be considered.
2. Youth determine what they want to do as their service project. Youth must prepare the application, present their ideas to the Kenosha County Youth As Resources Board in person, and implement the project once it is funded.
3. A youth group consists of two or more youth. YAR funding is available to youth aged 18 and under and each youth group must have proper adult supervision for their projects.
4. Any youth group applying must have a non-profit sponsor organization, which receives the grant award check. An adult from that organization should serve as advisor. If you do not have a sponsor organization, contact YAR at 262-857-1945.
5. The timeframe for your project will depend on the type of project. Most projects should be completed in 1-3 months. Upon completion a project book must be returned to the Extension Kenosha County office by the **3rd Tuesday in May**.
6. Projects may request funding up to \$500. Funds may be used for the direct operation of the project, transportation, and limited youth recognition.
Unacceptable requests include: Youth or adult wages, dinner/banquets, donations to other organizations, fundraisers, or out of town trips.
7. Applications should be submitted by the deadline for review by the Kenosha County Youth As Resources Board. All questions on the application must be answered.
