

**Dear Green Industry Professionals:**

The 2021 Landscape and Grounds Maintenance Short Course program will be hosted virtually via zoom webinar on Feb 3, 10, 17 & 24 from 1.00 P.M. to 4.00 P.M.

Through registered email address, participants will receive a unique zoom link for each week program. Please fill out the registration page in this brochure or sign up and pay online at

**[www.go.wisc.edu/landscapeshortcourse](http://www.go.wisc.edu/landscapeshortcourse)**

All participants must register individually with their email address. The unique Zoom link cannot be shared with other people and can be accessed on any one device during the session. Zoom link for each session will be emailed two days prior to the start of the session.

This year, speakers from other state universities, industrial reps and from UW-Madison Extension faculties will present on eight different topics during four sessions. Speakers bios are posted online: [www.go.wisc.edu/landscapeshortcourse](http://www.go.wisc.edu/landscapeshortcourse)

CEUs are available for ISA arborist and NALP landscape professionals. Join this program to learn and interact with speakers online!
