Welcome

Welcome to Youth As Resources. You have become a part of a growing movement that is recognizing young people for their tremendous potential to positively influence the world around them.

Youth As Resources (YAR) is a grant giving organization that helps youth groups in Kenosha County to plan and implement meaningful community service and service-learning projects. By involving youth in their communities, YAR not only empowers young people to be active and engaged citizens, but it also strengthens the communities of Kenosha County.

By joining Youth As Resources, you are dedicating yourself to the goals and ideals of Youth As Resources. This manual is intended to help you understand how YAR works and to provide valuable board member resources throughout the year. Congratulations and thank you for making this commitment to yourself and your community!

History

Youth As Resources began as a project of the National Crime Prevention Council in 1987 with funding from the Lily Endowment, Inc. Since 1987, Youth As Resources programs have formed all over the United States and even abroad.

In 2004, Kenosha County Youth As Resources was established as a partnership between Extension Kenosha County and the United Way of Kenosha County, in response to a 2002 Search Institute study citing that only 23% of youth perceived that “adults in the community value youth,” and only 26% felt that youth are “given useful roles in their community.”

Since that time, Kenosha County Youth As Resources has worked to combat these findings, and help youth feel that they can be valuable resources in their communities. As of May 2020, Kenosha County Youth As Resources has granted funds totaling \$68,560 to 190 youth-led service projects!

Overview

The Youth As Resources Board of Directors (hereinafter referred to as the YAR Board) is a group of youth and adults that meet regularly to sustain the Youth As Resources program. The YAR Board is responsible for everything ranging from publicity and recruitment, to administration and outreach, and much more.

Central to the YAR Board's activities are awarding youth-led service grants to youth groups in Kenosha County and the development of valuable leadership skills.

To ensure that there is a balance between encouraging mentorship and promoting strong youth voice, Youth As Resources maintains a board that is made up of 9 youth (grades 9-12) and 3 adults. The goal is to recruit board members that reflect the demographics of the county population and have representation from a variety of schools throughout Kenosha County.

Board Officers

Board officers have very specialized roles which ensure the successful operation of the YAR Board and all its projects. Board officers are elected to one-year terms and may run for multiple terms. A board member wishing to run for an office should read over the responsibilities of that position and be prepared to explain why they would be a good person for that position.

President (Youth)

- ◆ Leads the board meetings.
- ◆ Helps to prepare the meeting agenda with the Vice President and the YAR Coordinator prior to the meetings.
- ◆ Ensures that two service projects are carried out by the YAR Board each year.
- ◆ Represents Kenosha County Youth As Resources at various community events.

Vice President (Youth or Adult)

- ◆ Assists the President.
- ◆ Fulfills the duties of the President if they are absent.
- ◆ Proposes potential community service projects for the YAR Board to implement in the fall and spring each year.
- ◆ Welcomes all groups requesting funds and establishes the order for the President.
- ◆ Represents Kenosha County Youth As Resources at various community events.

Secretary (Youth)

- ◆ Takes meeting minutes and attendance which are submitted to the Extension Office before the next meeting.
- ◆ Coordinates correspondence with the media.
- ◆ Responsible for new board member recruitment.
- ◆ Represents Kenosha County Youth As Resources at various community events.

Treasurer (Youth)

- ◆ Responsible for keeping accurate records of YAR funds available for a given year.
- ◆ Responsible for distributing voting dots at each YAR granting meeting.
- ◆ Responsible for all voting records and submitting official grant information to the Extension Office in a timely manner.

Parliamentarian (Adult)

- ◆ Ensures Robert's Rules of Order are adhered to at all official meetings.
- ◆ Ensures bylaws of YAR are adhered to at all official meetings.

Endowment Committee

Endowment Committee Members (Youth)

- ◆ Two youth provide representation to the Youth As Resources (YAR) Endowment Committee.
- ◆ Responsible for reporting YAR Endowment Committee updates at the YAR Board meetings.

Board Meeting

The Youth As Resources meetings are arranged in a way to create rituals and traditions within the organization. When these rituals and traditions are established, it builds an environment that is conducive to youth participation in an efficient manner.

After the project presentations are over, the board goes into a closed session. During that closed session, discussion about the presentations takes place, followed by voting. The voting process begins with the youngest board member first and then moves up to the adult board members. This ritual enhances youth participation and ownership.

Voting on Grant Presentations (Closed Session)

- To ensure maximum youth voice in decision making, nominal group process voting procedures have been developed.
- Each board member is given an equal number of dots by the Treasurer. The dots represent \$10.00 each. The number of dots is determined by either the total amount of money requested or the total amount of funds available in the grant cycle.
- If a YAR Board member must abstain from voting on a project, due to a conflict of interest, their dots are distributed to remaining board members.
- Voting commences with the youngest board member going first, and then moving up through the list, ending with the adults.

The following is an example agenda that is given out at the beginning of the YAR Board meeting.

YAR Board members are strongly encouraged to ask questions of each presenter. It is important to learn as much about each project before making a funding decision.

Endowment Fund

The cornerstone of the Youth As Resources program is the idea that youth can make meaningful, not just symbolic, contributions to their communities, and that these contributions provide important opportunities for youth to grow professionally and personally.

In memory of her husband Leonard Johnson, Patricia Johnson donated the initial funds to start the Endowment Fund in 2008 with the Kenosha Community Foundation. The fund is designed to ensure the long-range sustainability of the Kenosha County Youth As Resources program, as only the earnings of the fund will be used to support local youth-led service projects.

The Kenosha County Youth As Resources (YAR) Endowment Committee provides oversight of the Youth As Resources (YAR) Endowment Fund in collaboration with the Kenosha Community Foundation.

The Endowment Committee will assist the Kenosha County Youth As Resources (YAR) Board in creating an awareness of the Endowment Fund and the benefits it offers to the Kenosha County Youth As Resources (YAR) program. The Committee will direct the solicitation of funds through donations of cash or property from various sources including bequests and memorials.

Earnings from gifts and bequests to the Fund may be used for projects or programs recommended by the Endowment Committee, and then approved by the Director of Extension Kenosha County.

The Youth As Resources Endowment Committee consists of no fewer than 5 members and no more than 9 members.

The fiscal year of this Fund shall be January 1 – December 31.

Anyone can contribute, and any size gift is accepted. Cash gifts, memorials, bequests, and property, including stock are appreciated. All contributions and gifts are tax deductible as provided in Section 501(c)(3) of the Internal Revenue Service Code. Donations can be sent to the Kenosha Community Foundation, 600 - 52nd Street, Suite #110, Kenosha, WI 53140.
